THIS IS WILLOW RECLAIMED TEAK COLLECTION

The natural colouring of this teak root wood gives Willow a more serene and tranquil quality.

The face-grain cut, and smaller tiles make for a quirkier yet rhythmic design.

RECLAIMED TEAK FROM INDONESIA

THE RECLAIMED TEAK COLLECTION

We source our reclaimed teak in Indonesia.
A much-beloved tropical hard wood we find in the pillars of derelict houses and as root wood on plantations.

The teak comes in various stages of erosion; some much weathered, others not so. Some characterised by a flame grain, others by more organic and erratic water markings.
