

Carrara Marble remains between the past and the present.

Spanning centuries, it is a symbol of purity, nobility and proportion.
Sculpted by masters and admired by generations.
Now, it resurfaces in a new light: more precise, cleaner, more current.

Entre el pasado y el presente, el Mármol de Carrara permanece.

Símbolo de pureza, nobleza y proporción, ha atravesado los siglos.
Esculpido por maestros y admirado por generaciones.
Ahora resurge con una nueva luz: más preciso, más limpio, más contemporáneo.

The classic aesthetics give it status.
The space combines nostalgia with avantgarde.
A nod to the past, with the language of the present.

La estética de lo clásico gana estatus.
El espacio combina memoria y vanguardia.
Una reverencia al pasado, con el lenguaje del ahora.
