Breccia Collection

Breccia is an expression of the most intense geological movements with the most traditional formations in the relief of northern Italy.

Breccia Collection is the result of experiences in this concept. A handcrafted design work of inlaying some precious gems into other stones, forming a patchwork of singular rocks.

Breccia es la expresión de los movimientos geológicos más intensos con las formaciones más tradicionales del paisaje del norte de Italia.

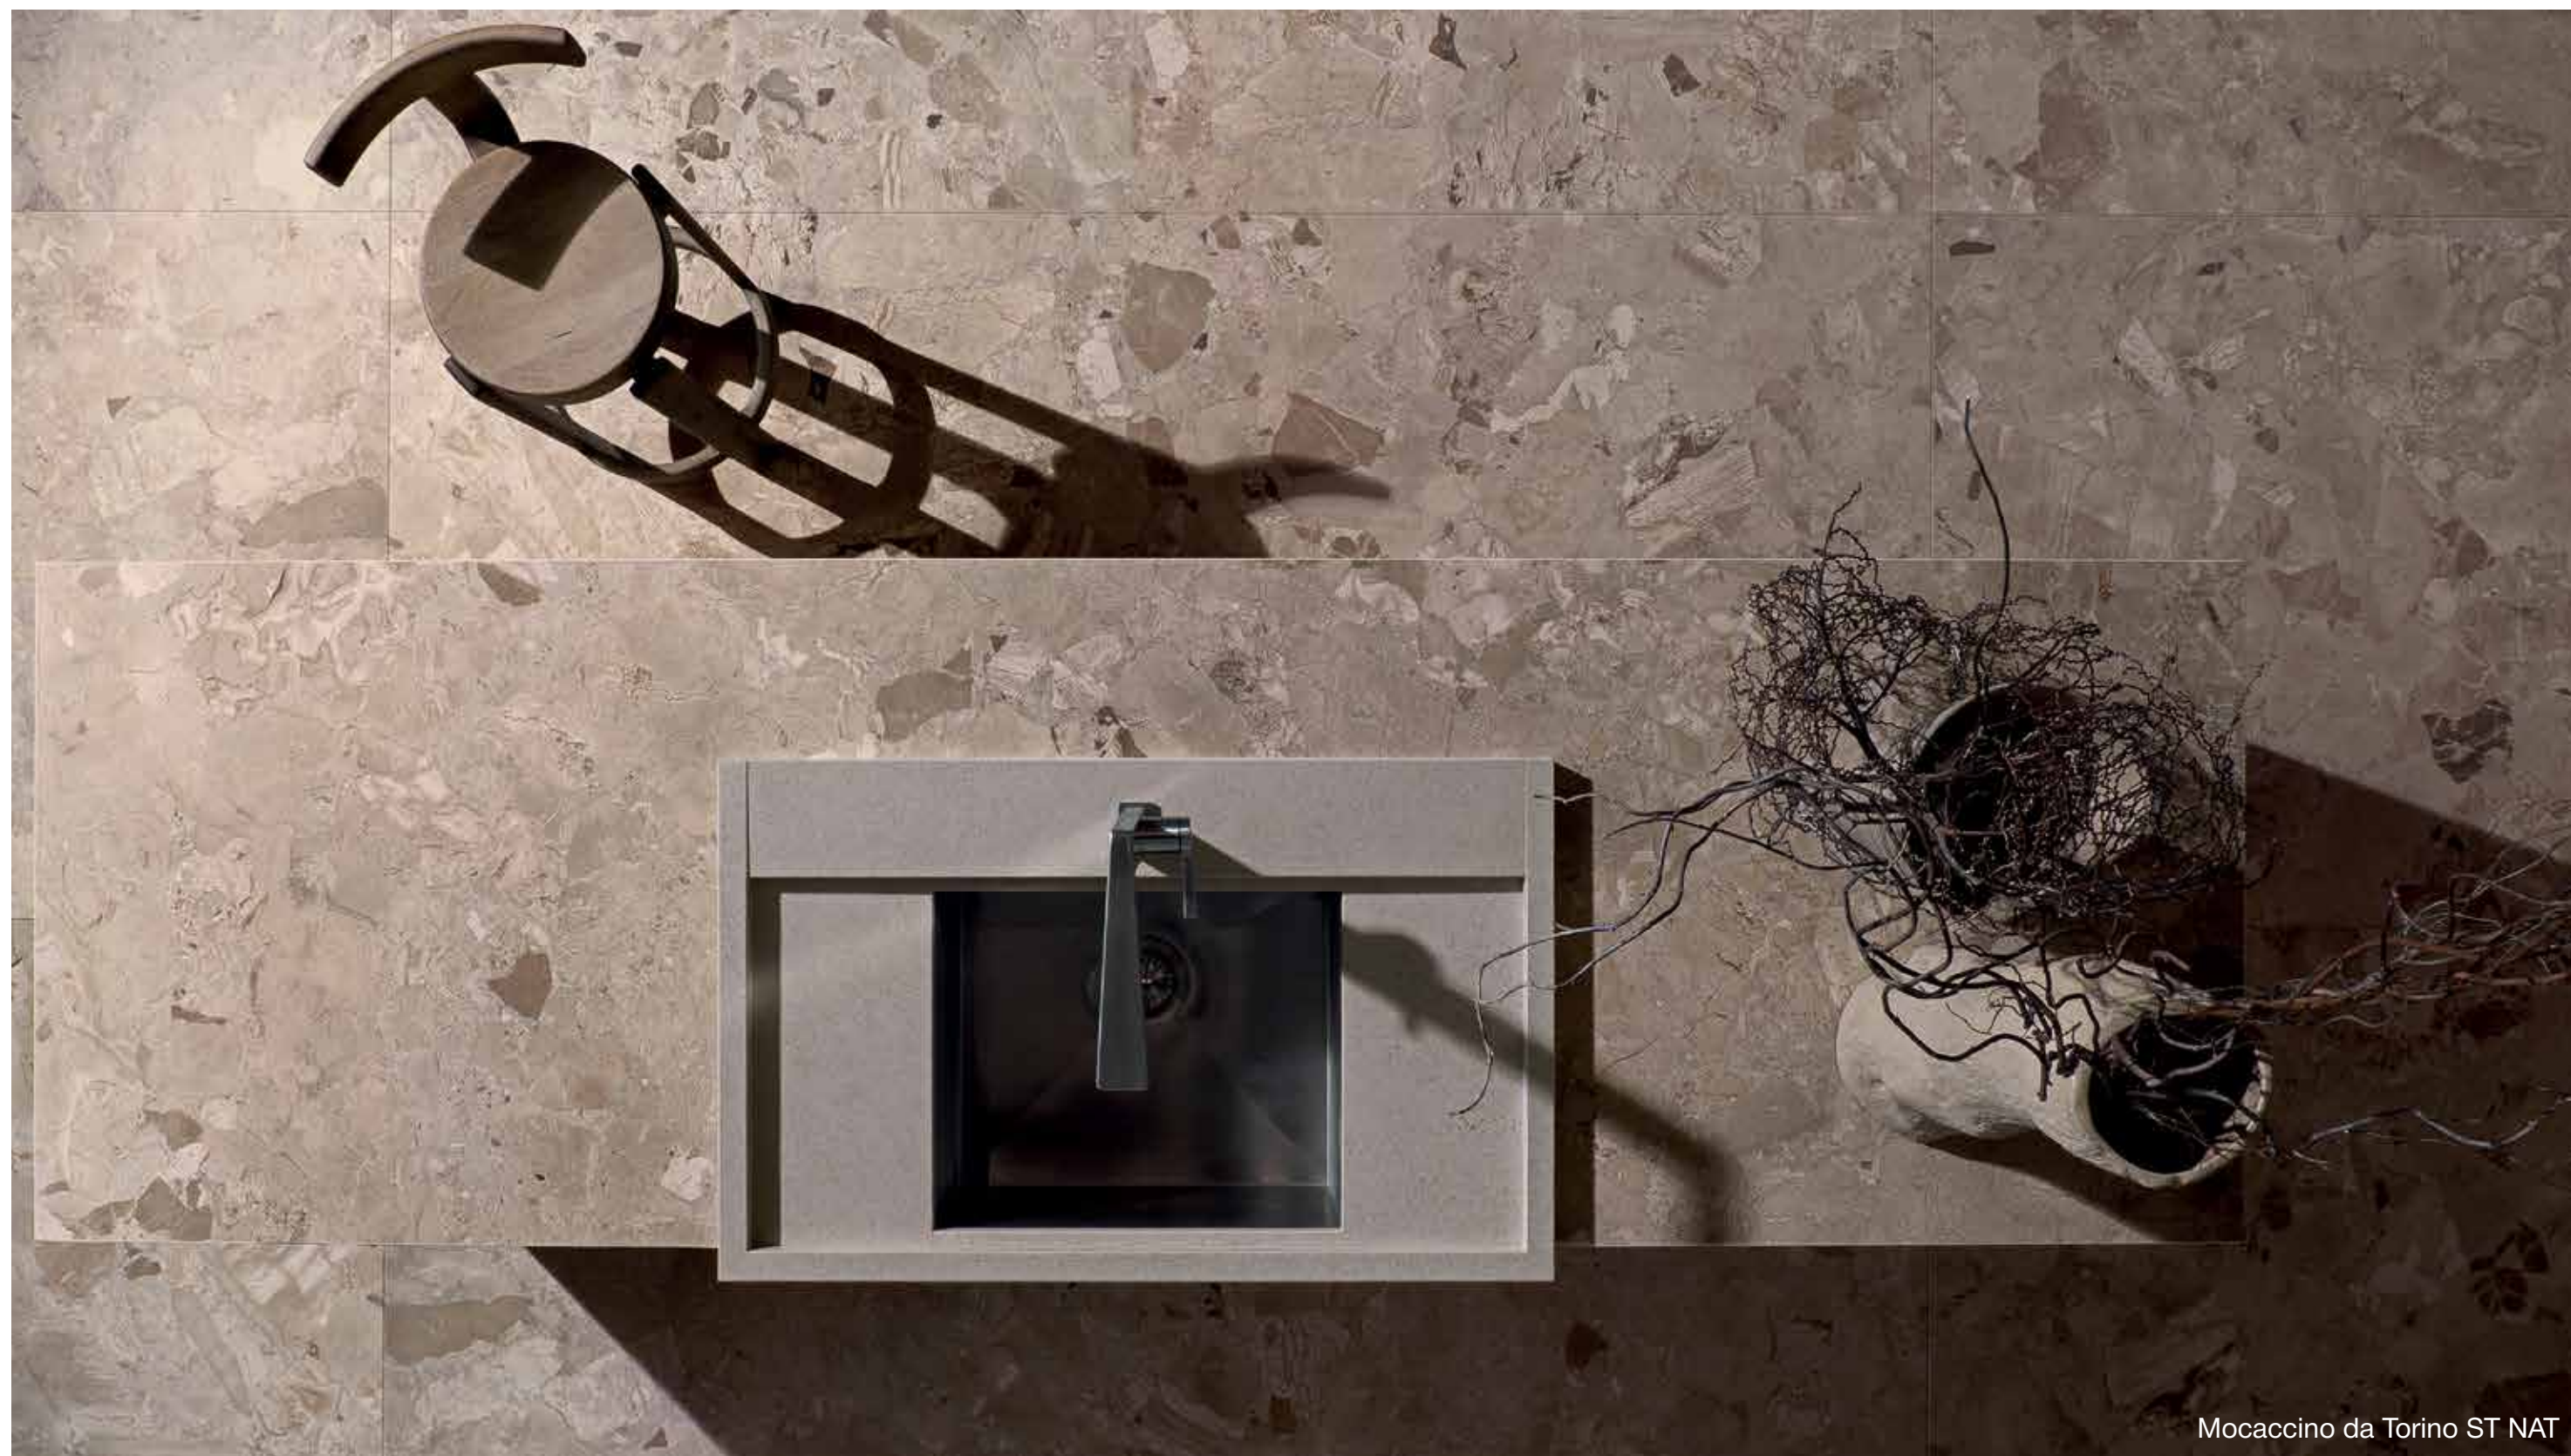

Breccia Collection es el resultado de experiencias con este concepto. Un trabajo artesanal de design que incrusta algunas gemas preciosas en otras piedras, formando un retal de rocas singulares.
